

**Public Cloud Adoption in  
Government**

**Lessons “Learned”?**

**A shift in  
the economic  
production  
model**

**Lessons?**

**Your lawyers are not  
ready**

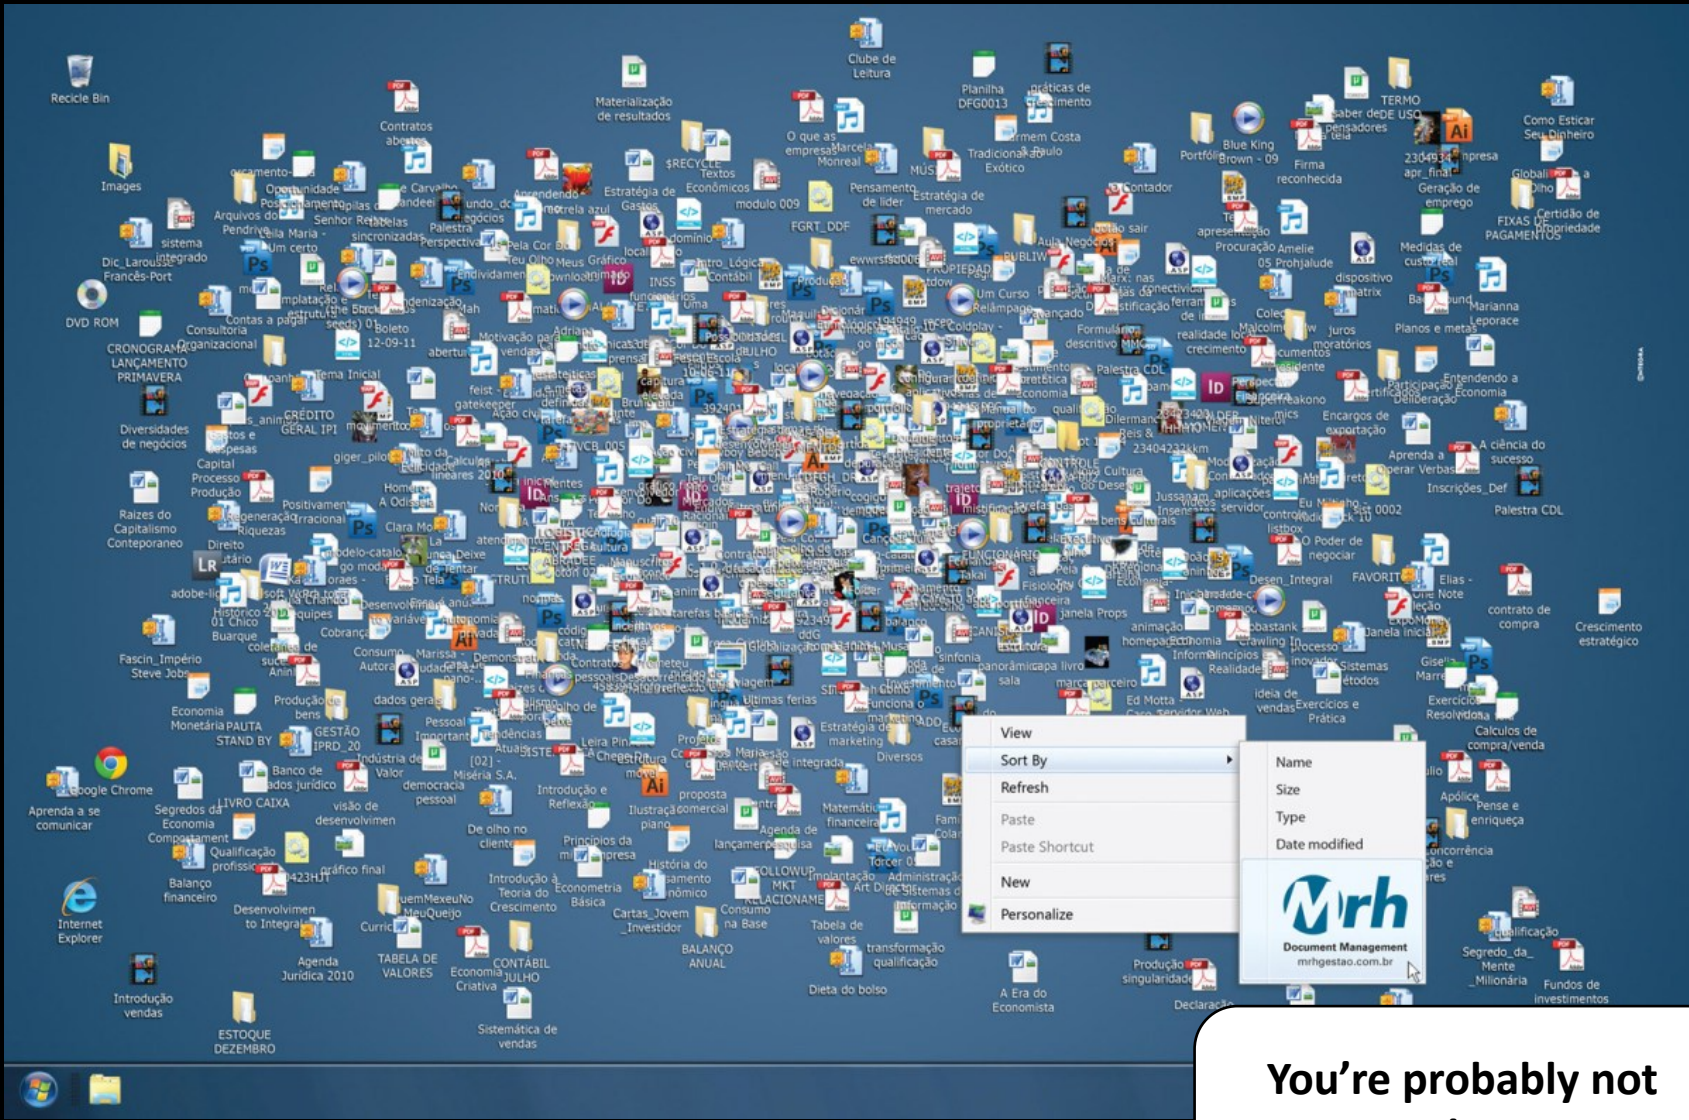

**You will need a big tent**

**You need a service  
architecture ...  
or you'll pay**

**You're probably not managing apps enterprise wide**

**Doing industrial aged  
thing with tech is  
expensive... digital is  
cheaper**
