Communication and promotion

Approximately 100 selected indicators, mostly from the Digital Economy and Society Index (DESI)

Identification of the most relevant indicator sources

#DESIEU

44 indicators

PORTUGAL
INCoDe

18 indicators

WORLD ECONOMIC FORUM
The Global Competitiveness Report 2019

103 indicators

Other sources

e.g. Network Readiness Index (World Economic Forum)

Selection of indicators to include in the Action Plan

- Consider DESI as reference index
- Privileging indicators where Portugal's performance gap is larger when compared to the EU
- Strengthen monitoring with indicators that promote economic competitiveness

Obtaining a catalog with ~ 100 indicators

48
priority indicators

49
complementary indicators

Purpose

“Portugal Digital is the country's transformation engine. Its purpose is to accelerate Portugal, without leaving anyone behind, and to highlight this mission in the world. How? Through the digital empowerment of people, the digital transformation of businesses and the digitalization of the Public Administration.”
